GREENE ESPEL PLLP

TCDIP JOB LISTING
2027 1L Summer Clerkship

Greene Espel PLLP is proud to be a member of Twin Cities Diversity in Practice. We are delighted to participate once again in the 1L Summer Clerkship Program and to partner with Cargill Inc. A goal of this program is to provide a great legal experience for clerks, but without the intention of evaluating candidates for a 2L Summer Associate role in summer 2028.

Job Responsibilities: This list includes a sampling of the projects/events that will be included as part of your work with Greene Espel and Cargill:

- Conducting legal research
- Drafting case memos, correspondence, pleadings
- Assembling case materials
- Participating in client activities, including meetings, telephone conferences, depositions, and hearings
- Preparing CLE materials
- Participating in mentoring meetings with firm attorneys
- Participating in firm gatherings

Duration: 10 weeks (7 weeks with us and 3 with Cargill) with flexible start/end dates.

Compensation: $2,000 per week.

How to Apply: Interested students should email a cover letter, resume, undergraduate transcript, law school transcript (when available), and a writing sample to cokerson@greeneespel.com. Applications will be accepted and reviewed on a rolling basis, so you are encouraged to apply early. We do not recommend waiting until you have received your first law school transcript.

About Greene Espel PLLP: Clients and legal-industry insiders alike recognize Greene Espel as a top-notch litigation and investigations boutique with a strong bench of legal professionals. The firm delivers high-quality legal representation to a broad range of clients, providing dispute resolution, litigation, and counseling services across our

Internal Only - not intended for external sharing

clients' key areas of need, including commercial disputes, employment, product liability, intellectual property, investigations, and governmental and constitutional litigation. Our clients include Fortune 100 corporations, innovative startups, and public-sector entities.

To provide clients with the best possible service, the firm threw out the traditional law-firm management model. We don't track origination; every client is a firm client. We don't have associates; our attorneys have an equal vote in the firm's management. Greene Espel's unique approach attracts and retains diverse, top-tier talent who are personally invested in clients' successes and who regularly outpunch the biggest firms in the world at a fraction of the cost.

About Cargill, Inc.: One of the largest private companies in the world, Cargill exists to nourish the world in a safe, responsible, and sustainable way. Established in 1865, Cargill has over 155,000 employees working in 70 countries to connect farmers with markets, customers with ingredients, and people and animals with the food they need to thrive. Cargill helps farmers by supplying feeds, other inputs, and expertise as well as buying livestock and crops from them. Cargill provides insights to its business partners, transforms raw materials into finished goods, and moves products around the world, ultimately delivering goods to customers in the foodservice, retail, consumer packaged goods, and industrial sectors.
