TCDIP Fellowship
2027 Summer Associate Position Description

Stoel Rives

The primary goal of our TCDIP fellowship is to provide one student with a meaningful experience at Stoel Rives and our partner organization. Return offers are evaluated on a case-by-case basis and are based on individual performance assessments and our office and practice group needs.

Our summer program introduces students to legal practice and life at Stoel Rives through substantive assignments, training, pro bono work, mentorship, community engagement, and social events.

As a summer associate, students work with attorneys across our practice groups and industries, including Corporate, Project Finance & Tax Equity, Litigation, Timber & Forest, Agribusiness, Labor & Employment, Manufacturing, and Transportation.

Assignments typically include drafting transactional documents and portions of briefs, researching legal issues and drafting memos, preparing discovery requests, and participating in deal closings. Students also may have opportunities to participate in client meetings, hearings, closings, depositions, and trials, along with training and professional development programs.

We pair students with an experienced attorney who provides feedback and guidance throughout the summer program. Social and networking events offer additional opportunities to build relationships with attorneys across practice groups.

What We Look For
We welcome applications from students with varied backgrounds, experiences, skills, and interests. Relevant experience may include work before law school, community engagement, and participation in law school organizations. We consider:
• Interest in one or more of the firm's core practice areas;
• Intellectual curiosity, sound judgment, responsiveness, initiative, and perseverance;
• Commitment to client service and team success;
• Academic achievement, strong legal analysis and writing skills, interpersonal and leadership skills, and community involvement; and
• Intent to practice after graduation in the Twin Cities area.

Compensation
Summer associates receive the weekly equivalent of an entry-level associate's salary in their office. Weekly salaries are $3,846 in Minneapolis.

Learn More and Apply
Visit www.stoel.com to learn about our professional development resources, pro bono work, and commitment to an inclusive workplace that supports the well-being of our attorneys and business professionals. Stoel Rives is evaluating candidates for potential future employment, but without specific knowledge of 2028 2L Summer Associate hiring needs

For the initial application Stoel Rives requires a cover letter, resume, undergraduate transcript, and personal statement. In January we will follow up with candidates to request a first semester law school transcript and a writing sample.
