

POSITION TITLE	Junior Software Developer
DEPARTMENT	Information Services
STATUS	Exempt
REPORTS TO	Director of Business Engineering
DATE	June 2018

POSITION SUMMARY

Stinson Leonard Street LLP seeks an experienced Junior Software Developer to join the firm's Minneapolis, MN or Kansas City, MO offices. This position develops and maintains the firm's software applications to be consistent with the firm vision and strategy. The junior software developer will participate in design, development, testing, and documentation of new applications to be utilized by the firm. In addition, this role will be required to provide support for existing applications.

There is no supervisory responsibility associated with this position.

EDUCATION AND EXPERIENCE

- Bachelor's degree required. Preferably in Computer Science, IT, or Engineering.
- 1-2 Years of development experience.
- 1+ year of Object-oriented programming experience
- 1+ year of experience with Microsoft.NET, C#, Visual Studio and ASP.Net MVC
- 1+ year of Microsoft SQL Server experience or similar RDBMS
- 1+ year of web development experience with JavaScript, HTML, CSS and XML
- 1+ year experience using version control systems (TFS, GIT)
- Desired experience includes an understanding of agile software development processes, SharePoint development, responsive web design using Bootstrap, Rest API experience, JavaScript frameworks (jQuery, Angular), and CMS (SiteCore, WordPress or similar).

POSITION COMPETENCIES

- Strong verbal and written communication skills.
- Self-motivated with excellent organizational skills and attention to detail.
- Highly professional with a strong customer service orientation, commitment to meeting deadlines, and ability to manage competing priorities in a fast-paced and dynamic environment.
- Strong professional, independent thinking skills with strength in problem solving and the ability to offer constructive opinions and creative solutions.
- A team player who motivates and educates other team members.
- Regular and predictable attendance is an essential function of the position.
