We are seeking a talented 1L to participate in the 2022 Twin Cities Diversity in Practice (TCDIP) 1L Summer Rotation Clerkship program with Larson • King, in partnership with 3M Company. TCDIP 1L Summer Associates spend a portion of their summer at Larson • King and a portion working with 3M’s legal department. The position is a great opportunity for a highly motivated 1L law student who wishes to learn more about the litigation process, to experience what it means to be an attorney in private practice, and to see what practice looks like within a corporate legal department. We aim to provide clerkship participants with opportunities to demonstrate and hone specific skills through a variety of work experiences. Summer Associates may be asked to draft research memoranda, litigation pleadings, motions and briefs, and a broad array of other documents. Whenever practicable, we provide Summer Associates with the opportunity to observe attorneys in client meetings, negotiations, mediations, depositions, motion hearings, and other courtroom settings.

Requirements
- In addition to having strong academic performance, the successful candidate will possess excellent interpersonal, analytical, research, and writing skills.
- Summer Associates will work full-time during the summer experience. The program typically lasts between 10 and 12 weeks. The Firm’s office hours are 8:00 a.m. to 5:00 p.m. As professionals, the hours that Summer Associates work may vary, consistent with meeting client and Firm needs.
- Larson • King requires all new hires to be fully vaccinated against COVID-19.

Larson • King offers competitive compensation. This position is a chance to be part of a talented team, in a great work environment. If you are interested in this opportunity, we invite you to apply by submitting a resume, cover letter, transcript, and writing sample.
