Bassford Remele Law Firm (Minneapolis) partners with a local company (St. Paul) and hosts one 1L law clerk as part of the Twin Cities Diversity in Practice Clerkship Program. In the summer of 2024, a law clerk will be invited to work twelve weeks at Bassford Remele, with six of those weeks focused on working with the corporate partner. The program is designed to reflect what it would be like to be an associate attorney at the law firm and provide experience working in an in-house counsel environment. Bassford and its corporate partner provide the law clerk with a variety of experiences including legal research and writing assignments, attendance at meetings, trial, depositions, and other events with attorneys throughout the summer.
