TWIN CITIES DIVERSITY IN PRACTICE -
1L SUMMER ASSOCIATE POSITION

As a participating law firm with Twin Cities Diversity in Practice, we are seeking diverse candidates, as well as other candidates who can bring diverse perspectives to the firm based on cultural competency, life experiences, and a demonstrated commitment to diversity, equity, and inclusion, for a 1L position in our 2024 Summer Associate class. We will be partnering with Mortenson and the Summer Associate will have the opportunity to spend two weeks working at Mortenson’s headquarters during our program. We are actively seeking highly motivated, mature, and creative individuals with varied backgrounds, superior academic credentials, and significant personal achievements.

In early 2023 Maslon achieved Midsize Mansfield Certification Plus status, which is the highest level of certification that a law firm can obtain. The Mansfield certification, administered by Diversity Lab, recognized the structural changes and actions taken by Maslon over the evaluation period to ensure consideration and promotion of underrepresented lawyers. Maslon is currently undergoing Midsize Mansfield 2023-2024 to further strengthen our firm by creating a diverse and inclusive environment.

To Apply: Please submit a cover letter, resume, undergraduate transcript and law school transcript (when available), and a writing sample HERE. Applications will be reviewed as they are received, so you are encouraged to apply early.
