ZELLE LLP & INTACT INSURANCE SPECIALTY SOLUTIONS

Zelle LLP and Intact Insurance Specialty Solutions are accepting applications for a full-time summer 1L law clerk. The 1L law clerk will divide the summer between Zelle’s Minneapolis, Minnesota office and Intact Insurance Specialty Solutions’ Plymouth, Minnesota office. The Minneapolis office of Zelle LLP, an international boutique litigation firm, primarily represents insurance companies in commercial disputes. Intact Insurance Specialty Solutions provides a broad range of specialty insurance products and services.

The successful candidate will be a strong writer who is comfortable working independently but confident in the ability to seek out guidance and ask questions when necessary. While your grades and experiences are important to us, your ability to learn quickly, understand and analyze complex information, and solve problems on the fly is equally important, so tell us about those things in your cover letter.

At Zelle, the job will primarily entail legal research and writing, but we will ask you to pitch in on a variety of other litigation projects, legal proceedings, and other experiences as they arise. At Intact, the clerk will be embedded in the claims legal department and will engage in legal research, assist with litigation projects and legal proceedings, and learn about the business of insurance as opportunities present themselves.

To apply, please submit a cover letter, resume, undergraduate transcript, and writing sample to hr@zellelaw.com. Submit your law school transcript as soon as it becomes available. We recommend you use your cover letter to tell us some things that are not already in your resume. Applications will be reviewed on a rolling basis beginning in January 2023.
