

### **Twin Cities Diversity in Practice 1L Clerkship**

Lewis Brisbois Bisgaard & Smith LLP, along with our corporate partner, Ameriprise, is seeking candidates for our Twin Cities Diversity in Practice (TCDIP) 1L Clerkship opportunity for Summer 2025. Working as a summer law clerk is a unique opportunity to experience the day-to-day projects, challenges, and excitement of a practicing attorney. Our summer program is designed to provide exposure to the daily working life of an attorney in the Minneapolis office of Lewis Brisbois while working side by side with partners and associates in multiple practice areas. Our 1L law clerk also will spend two to three weeks working with the dynamic in-house legal department at Ameriprise. At Lewis Brisbois, diversity, equity, and inclusion (DEI) are integral to our firm's culture and daily operations. We are proud to have earned Mansfield 5.0, 6.0, and, most recently, Mansfield 7.0 Certification Plus in 2024. This certification, granted by Diversity Lab—a third-party, nonprofit organization—recognizes our commitment to considering at least 30% of attorneys from historically underrepresented groups for significant leadership roles, lateral hiring, and senior lateral positions. These groups include women attorneys, LGBTQ+ attorneys, attorneys with disabilities, and attorneys from underrepresented racial and ethnic backgrounds. In addition, our Minneapolis office provides a collegial and energetic work environment.
